Barbara – You also may want to specify that Slide #8 is human health risks, not eco.

Thanks Alanna – we will put “estimated dates” on that slide. If we get questions about the schedule we will refer them to you during the meeting.

Hi Barbara,
The courtesy copy of the presentation is appreciated.
On the timeline slide, unless Cami or Kristine say otherwise, I suggest adding a footnote “estimated dates”, or “proposed dates.”

For the CAG meeting announcement, let me know who will present and presentation title.

Alanna:

Attached is a copy of the LWG's presentation to the CAG for July 8, 2015. You will notice we have a slide of EPA's timeline at the end of the presentation which we can refer to if there are questions about the process but we will refer any specific questions about how the public can comment or be involved to EPA.

Enjoy the holiday weekend!
